You still  
remember?

Hey, this is  
the suit you  
wore on your  
inauguration.

Isn't the teacher  
in charge of  
class 3-5,  
Fuzuya Ennosu.

Inaug  
unintentional  
speech

Fuzuya Tan,  
the movie star  
with a lot of  
boyfriends AND  
divorces,  
passed away  
8 years ago.

Leaving behind  
5 children with  
4 different  
mothers, the house  
and some money

GOOD  
Morning,  
Fuzuya  
senses.

Those thinking  
of college should  
take note...

Man, Even looks  
for  
Middle School  
use Macports.

Kenzo  
Mirei  
is such a  
nice  
woman.

BYE

huh?

TEAR IT  
OUT  
After you're  
done 'reading'  
the prints

So basically  
what that  
tells you is  
that you need  
symmetry.

JUST THINK  
of DRAWINGS  
in symmetric  
terms and you'll  
be fine.

Gotta  
walk!

Like  
this

美術

Remen

So you don't even need to keep your sketches, just DRAW!

Cranky...  
he needs  
more  
material.

HAL,  
NO SIR,  
I WON'T  
!

It's okay,  
he won't  
do it  
again.

But you're  
different,  
so I'll cry my  
heart to...

You can't  
treat women  
like you use  
to...

MIREI

I know  
I shouldn't  
be bothered  
by something  
like that...

Don't  
have much  
of an  
appetite  
anymore,  
all I'm  
eating and  
drinking  
is Milk.

What?

You  
know...

Nothing is  
strange in  
society  
these days.

12 years ago,  
he was quite  
the famous  
troubleshooter  
around here.

To think  
that HE's  
a teacher  
now...

Alright -

I'll call  
you my  
DELOVED  
secret  
them.

Don't just call  
me by  
MY NAME!

Marcu,  
you just  
don't know  
my brother  
at all...

NO, it's  
LOVE  
sickness -

It's  
probably  
just a  
cold

I have a  
fever

What is  
it?  
Huh?

BRAT

BRAT

How about  
you going  
on a date  
with me  
sometimes?

Stop  
picking  
around  
my sister.

ALRIGHT,  
LET'S GO  
HOME AND  
TAKE A  
BATH WITH  
NANAMI!

Really  
?

Heh

You can learn  
 alot from  
Furuta sensei,  
you know!

This is seaweed.

It tastes like something...

And I was worrying whether you'd like it or not.

Japanese used to eat seaweed and small fishes as supplements for protein and calcium...

This is porridge made with some unrolled rice, small fish and seaweed.

This is off.

My Mom used to make for me.

So adding just a few mushrooms wouldn't...

Eating food with a lot of calcium and vitamin C is even better.

ザンザン

This tastes great!

## 第2話 魔法使いの弟子

Magician's Trainee

oh...

That FEELS

But no-one is still a much better cook than I'm.

Fried Crab

What if  
Nanami's skin

It's so

Those with anemias and weak constitution should eat food with more iron.

HAAAAH! Nanami, Dad is SOO HAPPY TO HEAR THAT.

It was tasty!

Maybe someone finally noticed?

To make the dish healthier, I've added some onion and parsley.

!!

Esso,  
you looked  
so tired.

I just  
couldn't..

Why didn't  
you tell us?

Why did  
you keep  
this to  
yourself?

No, you  
go to work.  
I'll take  
care of  
Nanami  
today.

Thanks,  
Esso.

NANAMI  
!?

Please Come  
here!  
Everybody!

Rashes all over  
the body.

How bad  
is that?

No  
wonder  
she  
looks  
so  
tired

it's still  
hovering  
at 35°  
degrees  
fahrenheit.

The reformer  
Hanzo still  
has one great  
weakness...

Stand

There's  
still  
some in  
the  
design.

I'll just  
drink some  
soy milk.

Damn.  
I have  
no  
appetite...

Bowl

When Ninomiya  
is not feeling  
well, Hanzo is  
edgy and...

You never  
know when  
the old  
valiant Hanzo  
will burst  
out.

I'm  
going.

But  
take your  
time to  
chew  
them that  
rice  
slowly,  
okay?

Row  
Call

Even if  
you're  
her  
father.

You  
should  
know  
better.

I know  
you're  
worried  
about the  
side effects,  
but...

Bacteriae  
are  
already  
forming  
cysts on  
her skin...

Stronoda?

this can't be helped  
I know you have a  
history of not  
listening to doctors  
advice and insisted  
on Not using  
steroids.

huh?

I'm telling  
you to  
say it  
again.

But if it's  
that severe,

even if it is  
just to ease  
the pain, drugs  
ARE NEEDED.

She hasn't been feeling well this morning.

How come you care so much about my brother.

Why did he ever get divorced in the first place?

Nothing. I'm just curious.

to love his daughter this much.

Sorry, I didn't mean to be so noisy!

Oh!

I SHOULD KNOW BETTER?

Natsun, stop that!

WHAT DO YOU KNOW? YOU QUACK!

It's probably Natsun.

Do you know why Farryn never took off early today?

保健室

Ha!

To think that  
He's NOW  
a TEACHER.

第9話 俺の娘…!!

His Daughter!

The diet, the environment, I changed everything.

I read up on the condition.

But everyone has a different opinion...

I don't know what I can do anymore.

I don't know what to do anymore.

The doctors didn't explain much of anything to me, yet they still used steroids on her.

When I used to bring Natsune to hospitals.

Since it worked they kept applying it to her.

And if the drug doesn't work anymore, they just use another stronger one; it's a vicious cycle.

But it gets worse if it stops.

Cure my daughter.

Please, I beg of you.

How can you use something like that on my precious daughter, how can you!

It went on for years! No more steroids! Please!

its side effects!

But she died a long time ago...

She used to specialize in acting the parts of 'the other woman'.

So we siblings all have different fathers.

I'LL DO ANYTHING, PLEASE, JUST CURE HER!

He had the  
eyes of some-  
one that would  
kill you and  
doesn't care  
if he dies in  
the process.

Fights,  
vandalism,  
arrests,  
gambling,  
etc...

I'm still  
scared of  
that side  
of him.

But  
Ezra  
...

After Mom  
passed away, we  
went our separate  
ways, back to  
our respective  
families.

Except for  
Kya and Mo  
of course,  
bearing  
trains  
and all.

It didn't take  
long for Mom  
house to become  
a haven for  
punks and  
junkies.

Mom had  
left him  
some cash  
and the  
insurance  
payout...

Because  
Ezra

No one knows where  
Ank's father is, and  
no one wanted  
to adopt him.

Different  
women  
gave in  
and out of  
the  
house  
everyday.

Maybe its  
because the  
man he call  
his father  
changed so  
often.

He was the  
leader of  
a gang of  
troublemakers.

Changing girlfriends every few days.

Exotic

Exco then, was...

handsome, popular with women, and very irresponsible.

what

from your one night lover

Dear Exco, You are the father of this baby girl. Born the 9th of May, she is called Nene.

With that kind of lifestyle, something almost inevitable had finally happened

He was a **FLAKE**, he never thought of settling down with anyone.

Without idea of a pinch is that!

What a fucking pain!

Nene was found out who the mother was.

I've thought about that; but if I do suggest something like DNA testing...

Enzo is so gonna beat me up.

What? What?

Where is the pool that Nanao is Furuya's niece's daughter?

.....

Apple love for Nanao is immeasurable.

Wow, you are a Young dad.

ハハハ

yes, I used some Baby Formula.

Since Nanao came into his life, Enzo started changing.

The 2nd aisle from the right.

Tomorrow, I'm bringing this thing to the police...

Either way, ENZO became a FATHER.

But Enzo didn't just left the baby with the police. Maybe it's because he felt that the baby's situation is the same as his and took pity.

HE tried  
all the  
medicines  
for baby  
rashes  
available  
on the  
market..

One long after  
rashes and  
swells  
appeared on  
Nanami.

She just  
fell  
asleep.

Toda,  
how's  
Nanami?

Esau,  
leaving  
Nanami  
with his  
hands,  
often  
went to  
work  
several  
days a  
day..

some  
thing  
about  
allergies  
and  
hyper  
sensitivity

just when  
Esau didn't  
know what  
to do  
anymore,  
he saw  
on TV

She had  
already told  
steroids  
for close  
to almost  
a year.

When  
Nanami  
was  
finally  
diagnosed  
with  
acute  
hypertension.

Hmm, Enzo really looks like Jean Reno...  
Go watch *Leone the Professional* if you haven't already,

There's also  
miso soup  
for easy  
digestion.

with vinegar  
and nori  
plum, it should  
help.

You don't  
have much of

Overrun?

FIND IT!  
I'm coming  
to get it!

Afraid of what others can see in us and worry, so we all work hard to pretend.

We can only hide our sadness and discontent...

The psyche of an adult is a tangle and scary thing...

But it isn't something that we adults can do.

Aha, so even the gloomy crew laughed!

HA HAHA  
Octopus likes J. Hah!

Yes, laughter thins all spontaneous, those're their true feelings.

But children don't cut about things like that.

What a cute phase.

Even the gloomy crew laughs.

Children are closer to being alive...

It's from a children's story.
